CHANCES OF WINNING:

3. The chance of winning in any tournament is dependent on the number of eligible entries received for that tournament.
4. If a selected or advancing participant does not meet the eligibility requirements or is disqualified under these Rules and Regulations, Grey Eagle Resort & Casino has no obligation to award that participant a prize or championship position.

HOW TO ENTER

5. To enter a weekly qualifying tournament, an eligible guest must register in person at the Casino Cage at Grey Eagle Resort & Casino on the applicable tournament date. Registration closes at 9:00 p.m.

- a. Participants must pay a ten-dollar (\$10) entry fee to register for one (1) preliminary heat.
 - b. Five-dollar (\$5) re-buys are available until 9:00 p.m. on the applicable tournament date.
 - (i) A participant may purchase a re-buy only after completing the heat associated with the participant's previous entry or re-buy.
 - (ii) Each re-buy entitles the participant to one (1) additional preliminary heat. There is no limit on re-buys before registration closes.
 - (iii) Only the participant's highest eligible preliminary-heat score will be used for weekly advancement and championship qualification.
 - c. Participants must complete the tournament registration form in full and provide accurate, current contact information.
 - d. A registration is personal to the participant, is non-transferable and cannot be completed through an online gaming site.
 - e. The Tournament Host may disqualify an incomplete, illegible, altered or fraudulent registration form.
 - f. Entry and re-buy fees are non-refundable after the associated heat is called, except where Grey Eagle Resort & Casino cancels the tournament or AGLC directs otherwise.
6. After registration, the participant will be placed in the next available preliminary heat.

TOURNAMENT PLAY

7. Grey Eagle Resort & Casino will use specifically designated slot machines configured for tournament play. Tournament credits and scores have no cash value outside the Promotion, and no wager of personal funds is required on a tournament machine.
8. Preliminary heats will contain up to ten (10) participants. The Tournament Host will assign each participant to a designated machine, and participants may not change machines without authorization.
 - a. When a heat reaches capacity, registration will continue into the next available heat.
 - b. A heat may proceed with fewer than ten (10) participants.
 - c. Completed heats will be announced in the tournament area.
 - (i) A participant has four (4) minutes from the announcement to report to the tournament area.
 - (ii) A participant who does not report within four (4) minutes will be moved once to the next available heat, if one remains.
 - (iii) A participant who does not report for the next available heat, or for whom no later heat remains, forfeits that registration or re-buy and the associated fee remains in the applicable weekly prize pool.
9. Each tournament session will last one (1) minute. Play begins and ends on the Tournament Host's signal or the official tournament timer. At the end of the session, the score displayed and recorded

for the assigned machine is the participant's official score, subject only to the verified malfunction procedure in Rule 11.

10. Participants must actively operate their assigned machine throughout the session and follow all Tournament Host instructions. Assistance from another person, interference with equipment or another participant, abusive conduct, cheating, collusion or any attempt to manipulate a score may result in immediate disqualification.
11. A suspected machine or system malfunction must be reported immediately and verified by the Tournament Host in consultation with the AGLC technician or representative on site.
 - a. If a verified malfunction materially interrupts one participant's session before the official time expires, that session and score are void and the participant will receive one (1) complete one-minute replay on a designated machine.
 - b. If a verified malfunction materially affects an entire heat, all scores from that heat are void and the heat will be replayed in full.
 - c. If no malfunction is verified, or if the official time has expired and the score has been successfully recorded, the recorded score stands unless AGLC directs otherwise.
 - d. A score from a voided session cannot be reinstated. Any replay score becomes the official score for that session.
12. A tie that affects advancement or a prize position will be resolved by a one-minute playoff among the tied participants. Additional one-minute playoffs will be held until the tie is broken. A tied participant who does not report within four (4) minutes after being called forfeits the playoff and receives the lowest available position among the tied participants.

WEEKLY ADVANCEMENT AND PRIZE POOL

13. At the close of weekly preliminary play, the twenty (20) highest unique eligible preliminary scores will advance to that evening's semi-finals.
 - a. Each participant may hold only one (1) semi-final position, based on that participant's highest preliminary score.
 - b. The semi-finals will be played in two (2) sessions of up to ten (10) participants, each lasting one (1) minute.
 - c. The ten (10) highest semi-final scores will advance to a one-minute final.
 - d. Final placements will be ranked from highest to lowest official final score.
 - e. A semi-finalist or finalist who does not report within four (4) minutes after being called forfeits advancement. Before the applicable stage begins, the next highest eligible score from the preceding stage will advance in that participant's place.
14. Each weekly qualifying tournament has a guaranteed base cash prize pool of one thousand three hundred twenty-five dollars (\$1,325), funded by Grey Eagle Resort & Casino, plus one

hundred percent (100%) of all ten-dollar (\$10) entry fees and five-dollar (\$5) re-buy fees collected for that weekly tournament.

- a. All entry and re-buy fees will be paid entirely into the applicable weekly cash prize pool and will not be used for administrative or operating costs.
- b. The percentage portions of the fee pool will be calculated to the nearest cent. Any rounding remainder will be added to the first-place prize.

15. The weekly cash prizes will be awarded as follows:

- 1st Place - \$500 plus 30% of entry and re-buy fees
- 2nd Place - \$250 plus 25% of entry and re-buy fees
- 3rd Place - \$150 plus 20% of entry and re-buy fees
- 4th Place - \$100 plus 15% of entry and re-buy fees
- 5th Place - \$75 plus 10% of entry and re-buy fees
- 6th Place - \$50
- 7th Place - \$50
- 8th Place - \$50
- 9th Place - \$50
- 10th Place - \$50

16. Weekly prizes will be awarded immediately following the completion of the applicable weekly tournament, subject to eligibility verification.

- a. If fewer than ten (10) eligible finalists remain, the guaranteed cash assigned to any unfilled prize position will be added to the first-place prize.
- b. If fewer than five (5) eligible finalists remain, the percentage of entry and re-buy fees assigned to each unfilled prize position will be added to the first-place prize.

THE REEL ONES CHAMPIONSHIP

17. The one hundred (100) highest unique eligible preliminary-heat scores recorded during the eleven (11) weekly qualifying tournaments will qualify for The Reel Ones Championship on Monday, December 28, 2026 at 6:00 p.m.

- a. Only weekly preliminary-heat scores are eligible. Weekly semi-final and final scores do not count toward championship qualification.
- b. A participant may qualify only once, based on that participant's highest eligible weekly preliminary-heat score.
- c. The championship leaderboard will be finalized after the December 21, 2026 weekly tournament. Qualified participants will be contacted using the information provided at registration.
- d. If participants are tied for the final championship qualifying position, those tied participants will be invited to a one-minute qualifying playoff at 5:00 p.m. on December

28, 2026. Tied participants must check in at Guest Services by 4:45 p.m. Additional one-minute playoffs will be held until the tie is broken.

- e. A participant who does not attend a required qualifying playoff forfeits the opportunity to claim the tied championship position.
- f. No additional entry fee or re-buy fee is required for The Reel Ones Championship, and a championship position is non-transferable and has no cash value.

18. Qualified participants must register in person at Guest Services on December 28, 2026 between 2:00 p.m. and 5:45 p.m.

- a. A qualified participant who does not register by 5:45 p.m. forfeits the championship position.
- b. Championship heat assignments will be announced in the tournament area. A participant has four (4) minutes from the announcement to report to the tournament area.
- c. A participant who does not report within four (4) minutes forfeits the championship position. Vacated positions will not be filled after championship registration closes.

19. The championship preliminary heats will contain up to ten (10) participants and will be played in one-minute sessions until all registered championship heats are complete. The general tournament play rules covering machine assignments, session timing, participant conduct, malfunctions and tie-breaking also apply to championship play.

- a. The twenty (20) highest championship preliminary-heat scores will advance to two (2) one-minute semi-final sessions of up to ten (10) participants each.
- b. The ten (10) highest semi-final scores will advance to a one-minute championship final.
- c. First through tenth place will be ranked from highest to lowest official championship final score.
- d. Semi-finalists who do not advance to the final will be ranked eleventh through twentieth by official semi-final score. Because those positions receive equal prizes, a tie that does not affect advancement does not require a playoff.
- e. A championship semi-finalist or finalist who does not report within four (4) minutes after being called forfeits advancement. Before the applicable stage begins, the next highest eligible score from the preceding stage will advance in that participant's place.
